America's Best Value In Cabinetry®

Dear CNC Value Partner,

Thank you for your interest in CNC Cabinetry.

CNC was founded on the idea of making kitchen cabinets more accessible to all, by offering the ultimate value design, quality and price.

For over three decades now, we at CNC have been providing kitchen and bath dealers and the customers they serve throughout the United States with the ultimate value in kitchen cabinets, countertops, and bathroom vanities. Rather than tossing about meaningless boardroom phrases, we set out to define just what exactly value means.

For us, value means ordering high-quality products at affordable prices. Value means being able to offer a vast, ever-expanding selection of progressively designed door styles. Value means providing lightning-quick turnaround times. Value means giving someone the ability to talk to a real person who understands your needs.

Our motto, "America's Best Value in Cabinetry", reflects our commitment to you, our customer. We provide this value nationally through our many locations across the country. This strategy not only ensures efficiency in delivery but also emphasizes our nationwide accessibility.

This is the core of CNC - a company built on providing our customers with the ultimate value in design, quality, and service. Our cabinets create a comfortable and personalized living space, transforming the house into a home. Please peruse the accompanying material to get to know us, and how we can service you.

Yours truly,

Nathan Indig

CEO, CNC Cabinetry

General Information

Policies & Procedures

Design & Pricing Software

CNC Cabinetry provides a product catalog compatible with 2020 Design & ProKitchen Design Software. These are downloadable via our website at www.cnccabinetry.com. CNC Cabinetry does not take responsibility for discrepancies between design software and CNC Cabinetry pricing.

Terms & Conditions Standards

All prices and specifications are subject to change. Payments may be made by ACH, Check, Debit/Credit Card, or Account Credit. To apply for credit, visit <http://cnccabinetry.com/creditapp/>.

Placing Orders

Placing orders can be done through our CABNET program, using the excel order form found on our website, ProKitchen or 2020 SKU lists. Orders will not be accepted over the phone. It is the dealers responsibility to review all quotes for accuracy and confirm before any order goes into production. If you would like the order to ship complete, please note that on quote and approval. If not indicated, order will ship with the available cabinets.

Once an order is placed and sent into production, NO CHANGES can be made. Canceled items/orders after approval, will have a 20% restocking fee (if the order has not yet been shipped). If the cabinets have been shipped or are already palletized, customer is responsible for freight costs back to CNC Cabinetry, if applicable, and a 25% restocking fee. Modified cabinets cannot be cancelled or returned. Unassembled cabinets that have been assembled by the customer cannot be returned. To cancel items from an order, please reach out to your customer service representative.

Delivery Options

- Pick-up.
- CNC truck.
- White-glove delivery available for an additional fee
- Common Carrier-Scheduled by CNC Cabinetry
 - If you have a preferred carrier please request it.
 - Please note that a per pallet fee will be applied to the order
- Common Carrier-Scheduled by Customer
 - If you need a residential lifetgate, please make note of this with your carrier
 - Please note that a per pallet fee will be applied to the order

Orders are automatically scheduled for the next available delivery day to your area unless specified otherwise.

A rescheduled delivery may result in a 20% fee.

Missed pick-up appointments after 48 hours will incur storage fees. After 30 days, orders will be returned to stock and a restocking fee of 25% will be charged.

Returns

There will be a 25% restocking fee for any returned cabinet. Shipping/Delivery charges will not be credited for any returns. It is the customer's responsibility to pay for shipping on return items. We will not credit any assembled cabinets by the customer, installed cabinets, or cabinets without their original box. Non-stock cabinets, parts including doors and drawers, custom modifications, wood hoods and countertops (post form and self-edge) are not returnable.

Once merchandise is received and inspected at our warehouse, a credit will be issued to your account for the returned merchandise less the 25% restocking fee. Please allow CNC 7-14 business days to process your credit. CNC will not accept returns after 30 days.

Damages

If a cabinet or countertop arrives damaged, please contact customer service and a replacement order will be issued. Pictures of the damages and your CNC sales order or P.O. number must be provided. If you do not have pictures of the damages, we will send the replacement/s for the full price and credit will be applied once we receive the pictures. Do not install damaged cabinets. CNC will not credit damaged cabinets that have been installed. CNC will not credit damaged cabinets after 30 days of delivery.

Lead times

Cut-off time is 5:00pm Eastern time (M-TH) 3:00 pm Eastern time (Friday) for assembled and unassembled cabinets in order to meet standard lead times. Extended lead times will occur for orders containing 100 cabinets or more. An extended lead time will also occur for any post-form or square-edge countertops with cut outs, cut-downs, or assembled miters and for stocked countertops over 12 pieces.

Shipping

CNC offers delivery service with our own fleet of trucks that will deliver within the local New Jersey tri-state area and areas within a 3-hour driving radius of our Florida facility for a minimum charge. Local deliveries will be assessed for pricing based on gas rates. Rates will be reassessed every 90 days. Deliveries are curbside only. Jobsite deliveries are available upon request for a minimal fee. White-glove delivery service is available upon request. Please contact your Customer Service representative for pricing and details.

Outside of our flagship facility areas, we ship via Common Carrier, where the best available pallet rate will be chosen. If a customer sends their own carrier to pick-up cabinets, CNC will not be responsible for filing damage claims. Please note that a per pallet fee will be applied to the order.

Floor load truckloads will be charged \$250.00 per truckload.

Refused orders or missed pick-ups will be charged a fee to reschedule the delivery or pick-up.

Cabinet Code Key

Cabinet Code Key

When looking at product codes it is important to note each element within the code in order to ensure you are ordering the correct cabinet piece. For example, the codes displayed above would translate to:

Base Cabinet; 24" Wide x 34½" High

Wall Cabinet; 24" Wide x 30" High x 24" Deep

Vanity Cabinet; 48" Wide x 21" Deep; Double Drawers

Additionally, it is important to note the following when selecting and ordering cabinets:

- Standard Wall cabinets are 12" deep
- Refrigerator cabinets are 24" deep
- Standard Base cabinets are 34½" high and 24" deep
- Add door thickness for total cabinet depth
- Vanity Cabinets are 32½" high for Country Collection; 34½" high for Luxor, Concord and Classic Collection
- Standard Vanity Cabinets are 21" deep
- Handicap Accessible/Removable cabinets are 32.5" tall and are indicated with 'HA' or 'HR' at the end of a product code

Wall Cabinets

Cabinet & Door Information

Concord Collection

- 1 **Frame** — $\frac{3}{4}$ " thick, $1\frac{1}{2}$ " wide, kiln-dried solid hardwood. Frame and sides are installed with a DADO interlocking system, which insures easy assembly and inseparable strength
- 2 **Back panel** — Full $\frac{1}{2}$ " plywood back, installed with DADO groove. Screwed to top and bottom. Exterior is finished.
- 3 **End panel** — $\frac{1}{2}$ " Plywood sides. Finished exterior with a natural wood-finish veneer interior.
- 4 **Shelves** — $\frac{3}{4}$ " thick, plywood; fully adjustable with metal clips.
- 5 **Hinges** — Heavy duty steel concealed hinge, adjustable with soft-close mechanism.

*36" and 42" Wall cabinets will have 3 hinges

- 6 **Base frame** — $\frac{3}{4}$ " thick, $1\frac{1}{2}$ " wide, kiln-dried solid hardwood. Frame and sides are installed with a DADO groove, which insures easy assembly. Exterior is finished.
- 7 **Back panel** — Full $\frac{1}{2}$ " plywood back, installed with a DADO groove. Screwed to top and bottom.
- 8 **End panel** — $\frac{1}{2}$ " Plywood sides. Finished exterior with a natural wood-finish veneer interior.
- 9 **Drawers** — $\frac{3}{4}$ " Solid wood, dovetail construction. With high quality stainless steel full extension under-mount glide. With soft-close safety feature.
- 10 **Hinges** — Heavy duty steel concealed hinge, adjustable with soft-close mechanism.
- 11 **Glides** — High quality stainless steel full extension under-mount glide. With soft-close safety feature.
- 12 **Shelves** — $\frac{3}{4}$ " thick, plywood; fully adjustable with metal clips. (10" deep)
- 13 **Toe kick** — $4\frac{1}{2}$ " Toe kick with $2\frac{1}{2}$ " inset on all standard base and vanity cabinets.

BLUM hinges and glides are available in the Concord Collection for \$34 per drawer and \$3.40 per hinge. Please contact your customer service for more information.

Cabinet Care & Warranty

Finish Awareness Statement

Thank you for choosing a stained finish product from CNC Cabinetry. When purchasing cabinetry, we would like to ensure our customers are properly educated on the characteristics of the wood used and the finished wood they are purchasing. Please review the following "Finish Awareness Statement".

All of CNC's finishes are applied in the same manner and with the same quality standards. There are some unique characteristics with stained finishes across all wood species, and it is important to understand that these characteristics are not considered quality defects.

1. Wood in its natural state expands and contracts. Because of this natural movement, you may find evidence of slight cracks in joint lines on doors and face frames. Center panels will shrink exposing minor unfinished areas of wood. These slight cracks are normal and not considered quality defects. Proper humidification should be maintained during storage and after installation.

2. Every tree grows differently giving each piece of wood its own unique characteristics. By the very nature of wood, grain patterns and other wood characteristics including mineral streaks, knots, and other variations are considered normal. Because of this, stain will appear differently across the same cabinet. This is the natural beauty of the wood.

3. End grains on door edges and panel profiles may exhibit open grain or voids in wood appearing as "Rough Spots" in the wood. Stains often highlight indentions into the wood. These imperfections are normal and are not considered quality defects.

4. Light-colored wood may heighten light-and-dark effects, and cause blotchiness when medium or dark stains are applied. These are natural occurrences and are within CNC's strict standards of wood-finishing.

These imperfections are normal and will not be considered as reasons for replacement.

We, the manufacturer, nor your authorized dealer will replace products or issue credit based on any of the above reasons.

Treat your Cabinets with Care:

- Use a soft cotton cloth.
- Do not use abrasive materials (including paper towels).
- Only use soap and warm water.
- Do not spray directly onto the cabinets.
- Do not use any chemicals.
(Note, when using a spray for other items placed near your cabinetry, be careful not to overspray on your cabinets)
- Wipe spills promptly and do not leave wet items against the wood.
- Clean glass doors with a glass cleaner.
(Be careful not to overspray on the wood)
- You can repair small nicks and scratches with our touch up kits.
- Waxing and polishing is not recommended as this can create a film or wax build up on your cabinets and affect the finish.
- You can dust your cabinets with a lightly damp cloth.
(Follow the grain of the wood wiping across can cause scratches)

Humidification effects on door with a Miter Joint

High Humidity

When wood swells, miter joints open as shown above

Low Humidity

When wood shrinks, miter joints open as shown above

* Humidification is normal and is not considered a need for replacement.

Limited Lifetime Warranty:

CNC Cabinetry Inc. ("CNC") provides the following limited lifetime warranty to the original Residential Purchaser of all cabinetry and vanities manufactured by CNC. This Limited Lifetime Warranty ("Warranty") is only applicable to cabinets and vanities sold to the original Residential purchaser (as defined below) and used in the applications described below within the United States.

Except as allowed by applicable law, you may not assign or transfer this Warranty.

Under this Warranty, an original Residential purchaser is defined as an individual who purchases and installs the cabinets and vanities in a dwelling that is owned and used by that person as a primary or secondary home. A primary or secondary home does not include rental property. This Warranty does not apply to landlords, leasing companies or other commercial purchasers. Original residential purchaser shall include any business or person such as a builder, contractor or developer that purchases and install CNC cabinets and vanities in a newly constructed or renovated dwelling that will be used by the initial owner/purchaser of that dwelling as a primary or secondary home.

Subject to the limitations and exclusions set forth, CNC warrants to the original Residential purchaser that the cabinets and vanities will be free from defects in material and workmanship, Damage that occurs during normal wear and tear, or damage due to exposure to moisture or extreme temperatures are not covered under the warranty.

The Warranty period for the cabinets and vanities begin on the date the cabinet and vanity were purchased, whether purchased by you or by a third party on your behalf. Your warranty is only valid if you used the dwelling as your primary or secondary home and does not extend to future owners if the property is sold.

This Warranty does not apply to cabinets or vanities: 1. Installed outdoors; 2. misused, abused, or unauthorized alterations; 3. Improperly stored or placed in humid environment or subjected to improper temperatures; 4. Damaged due to flood, fire or other natural disasters; 5. Exhibiting normal wear and tear; 6. Which have been improperly installed, maintained or cleaned. In the event of a defect in the workmanship or materials occurring during the warranty period, CNC will at its option, repair or replace any defective cabinet or vanity or component provided, if it is commercially feasible. If it is not commercially feasible, CNC reserves the right to provide a credit towards a similar type of product sold by CNC. This is your sole and exclusive remedy for any defects.

This Warranty is limited to the replacement of defective parts only and does not include service, labor or transportation charges related to the removal or installation of the defective or replacement parts. This Warranty does not apply to any products used in conjunction with the cabinetry, or vanity, such as countertops, appliances, plumbing fixtures, decorative hardware, lighting. Repair or replacement remedies offered under this Warranty are subject to the current product offerings of styles and construction of CNC at that time. If a warranty claim is filed after a product has been discontinued or obsolete, CNC reserves the right at its sole option, to replace that part with one of the same or similar style based on availability and cannot guarantee an exact match.

The remedies described above are the sole and exclusive remedies and CNC's entire liability for any breach of this Warranty. Total liability shall under no circumstances exceed the actual amount paid for the defective cabinet or vanity. CNC shall not be responsible for any consequential, incidental, special or punitive damages. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

For replacements under CNC's limited lifetime warranty, contact your authorized CNC dealer who will arrange for inspection of the cabinet. A dated sales receipt as proof of purchase is required to obtain benefits from this warranty, if you have difficulty reaching your dealer, you may reach out to CNC Cabinetry directly.
