CNC Associates Inc. was founded on a staunch commitment to supply superior merchandise to our customers. Since 1992, we have manufactured standard and custom cabinetry of premium craftsmanship. At CNC Associates Inc., we choose only supreme quality material and implement a precise construction process.

We understand that designing your new kitchen can be complicated, so our dedicated staff is trained to assist you in making the selection that will best suit your style and needs. You will find our products alluring, durable, and convenient for everyday use. We will provide you with the most value for your money, without ever compromising on quality. Our unique cabinetry options, customized for kitchens, bathrooms, and living rooms, offer you a myriad of ways to decorate your home and create your own vision of perfection.

A handwritten signature in black ink, which appears to read "Hershy Fischman". The signature is fluid and cursive, with a long horizontal stroke at the end.

Hershy Fischman
Sales & Marketing Director

GENERAL INFORMATION

Design & Pricing Software

CNC Associates provides a product catalog compatible with 20-20 Design & Pro kitchens Design Software's. It can be downloaded via the internet by registering on our website at www.cncassociates.com. You can also contact your sales rep. to receive a free CD. Since a third party firm generates Design Software catalogs, CNC does not take responsibility for discrepancies between Design Software and actual invoices.

Terms & Standards

All prices and specifications are subject to change. All prices F.O.B. South Plainfield, NJ. Prices do not include any applicable sales tax. Contact your CNC sales rep. to establish a multiplier.

Terms of payment offered are COD and credit. In order to receive credit, a credit application must be filled out and submitted to the credit department for review.

Placing orders

To ensure efficiency, orders, or changes to existing orders, should be placed by fax or by email only, using CNC order forms. Orders and changes will not be accepted by phone.

Orders are automatically scheduled for next day delivery unless specified otherwise by customer. Please include an accurate request date with a clear delivery address on the order. Our system requires P.O. numbers for all orders.

In order for us to keep our 24-48 hr. lead time, all stock orders placed will be processed immediately and confirmations to customers will be faxed or emailed. Backordered items will be noted on the confirmation with the ETA. Signatures are not required on cabinet stock orders.

Customers are responsible for reviewing confirmations for errors, please be specific when quoting an order, by writing 'quote only' (quoting our import cabinets are easy by using our order forms with the multiplier. Design Software catalogs can be downloaded from our website and can be used for quoting).

Customer Service will call to arrange and confirm the delivery a day in advance, as well as to ensure proper preparation of C.O.D, warehouse, and space. All discounts and pricing issues must be discussed and agreed prior to delivery.

We can't guarantee a specific time of delivery. Customers can call the dispatcher directly for the delivery status.

When inquiring about an order please use CNC sales order number or your P.O. number.

Returns

There will be a 20% restocking fee for any returned cabinet. Cabinets must be in same condition it was when received, and in the original packaging. We will not pick up any installed cabinets or cabinets without their original box.

When requesting a return or exchange, please provide original CNC sales order number or your P.O. number, so we can process your credit faster. In the event that cabinets are returned against these rules, the customer will be able to pick them up within 7 business days.

Credits will be issued once merchandise is received and inspected in our warehouse, we will credit your account for the returned merchandise.

Non stock cabinets, custom modifications etc. are not returnable.

Damages/ Exchanges

In the event that a cabinet or countertop arrives damaged, a replacement can be issued with Customer Service for full charge. Please request an RMA, which should be given to the driver (merchandise without an RMA will not be picked up). Once we receive the damaged item, we will determine if credit is applicable and credit your account. Exchanged cabinets cannot be swapped; you will be required to pay in full. A credit will be issued once we receive the RMA.

Lead times

Cut-off time for next day shipping is 11:00 am for assembled cabinets, & 12:00 pm for unassembled. Any cabinet modification, such as glass cut-outs, have a one week lead time. Special cabinet orders have their own lead time. Please call the office for more information. A signature is required for all modifications and custom orders.

Cut off time for Post Form Countertops cut off time is 11:00 am. Post Form special cut outs, assembled miters, cut downs and pipe chases have a lead time of one additional business day.

Shipping

CNC offers delivery service with our own fleet of trucks to the tri-state area for a minimum charge, (please contact your salesman to obtain your shipping rate). Deliveries are curbside only. Job-site deliveries are available upon request. COD customers will have to hand payment to the driver before unloading (in case of backorders, an authorization should be obtained for the deduction).

Refused orders will be charged a re-delivery charge. If the item is damaged the customer must call Customer Service before refusing the item and deducting from the payment.

Outside the tri-state area we ship via Common Carrier, the best available pallet rate will be chosen (special free freight program can be arranged, contact your Sales Rep. for details). In case of a shipping damage, a clear image of the damaged part must be submitted to Customer Service for review in order for the damage to be replaced. If a customer sends his/her own common carrier to pick up cabinets, CNC will not be responsible to file damage claims.

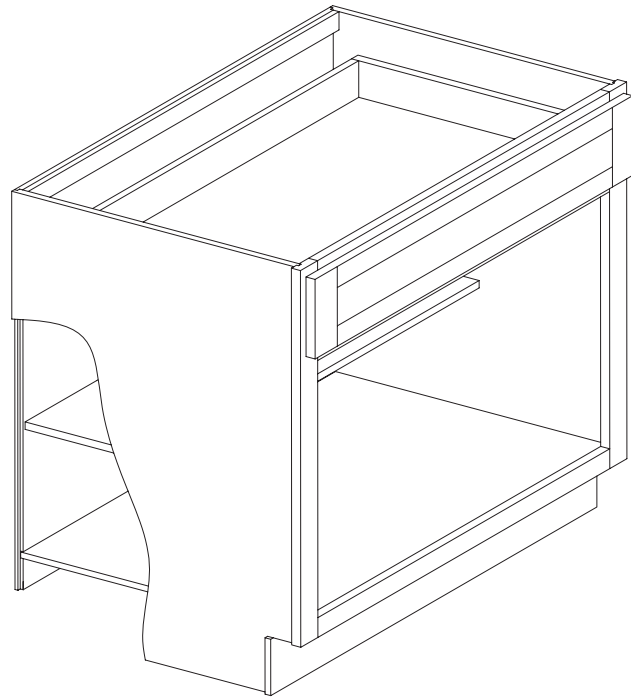

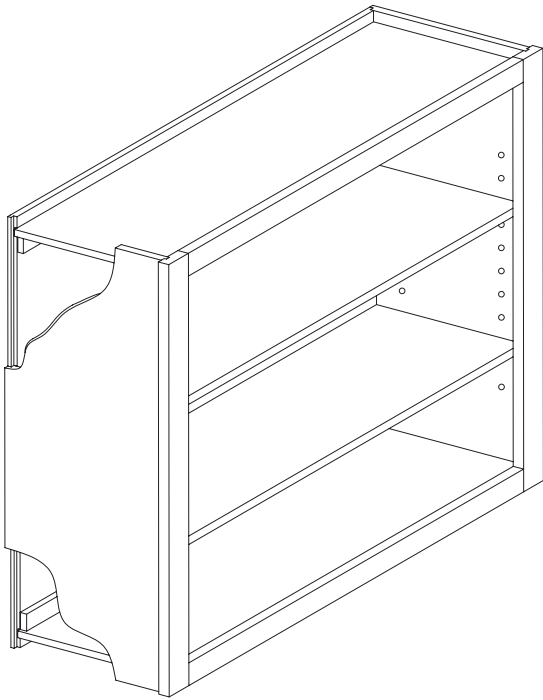

Special Orders

A 50% deposit is required for special/non stock items ordered. All non stock cabinets as well as drop ship orders, will be held up for a maximum of 30 days. After this period a warehouse fee of \$50 per week will apply. All stock orders will be cancelled and returned to stock after 30 days and special discounts will be lost.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

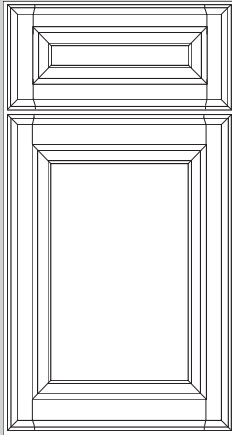

CABINET INFORMATION

Can and Cant do's

1. maximum length for a post form top is 144".

2. L-shaped tops have to be mitered at the corners and can be assembled on the job site with bolts and caulk. Although we do assemble miters in house for a charge, (one leg cannot be more than 48"). Our shop assembled miters may not be 100% perfect due to shifting in transit. Therefore we recommend job site assemble.

Ordering Information

When figuring out your Post Form counter top always round off to the next foot.

Example: 42" top = 4'

48-1/4" = 4' charge

48-1/2" = 5' charge

Minimum charges:

Regular tops 3'

Bar tops 4'

Minimum charge applies to each top separately not per order.

When you order an L-shaped top each leg must be figured separately and rounded off to the next foot.

The lead time on all our stock colors are 2-3 working days.

Note: pipe chases and other specialty work, adds 2 extra days to the lead time. On non stock tops such as vanities or bar tops, the lead time is 2 weeks.

Pricing Information

The linear foot price for Post Form counter tops include one sink cut out per top, one miter cut (not assembled) and all end caps applied.

ALL OTHERS BY QUOTE ONLY		

Custom Self Edge Countertops are manufactured in our own facility which gives us more flexibility in customizing your counter top. we can manufacture this counter top according to your specifications and drawing. (for whats available see «counter top options)

1.when figuring out your custom counter top calculate each piece individually. when you have an L-shaped counter top, the two legs must be figured separately. Use the back of the counter top as your footage reference. Always round off to the next foot, then add on your special options. (two orders can not be combined for footage calculation.)

2.Low Back Splash Counter Tops: the back splash will be top mounted (attached on top of deck). All back splashes will be shipped attached, unless specified otherwise.

High Back Splash Counter Tops: all high back splash counter tops will be shipped loose only. the deck will be pre drilled to indicate where the back splash should be installed, unless specified otherwise.

3. If the counter top is larger then 5ft. x 12ft. a laminate seem is required. Please specify were you prefer the seam. (there is an extra charge for a laminate seam).

4. on custom self edge counter tops there is 4ft. minimum charge per order (not per top). If you choose a laminate which is only available in large sizes, more what your counter top requires, a material surcharge will be applied.

5. Regular lead time on our stock colors is 5-7 working days from sign off. other colors or edge treatment will require longer lead time. please check with our office before committing to customer.

6. Beveled Edge or any other front edge treatment: since the footage of the front edge may not always be the same as the footage of the counter top, you must figure the footage for edge treatment seperately. Bevel edge treatment requires a 12ft. minimum charge for special colors there may be a material surcharge.

FIVE YEAR LIMITED WARRANTY

CNC Associates Inc. warrants to the original purchaser that all Concord, Country and Classic Collection Cabinetry will be free from defects in material and workmanship under normal use for five years from the time of purchase.

During this period of time, **CNC Associates Inc.** will repair or replace at our option, any cabinet or component that proves to be defective in material and workmanship under proper installation and normal use. This warranty does not apply to any damage that has occurred due to normal wear, accident, misuse, or improper handling of the cabinetry. Cabinetry that is stored or placed in humid environment will not be covered under this warranty. This warranty does not apply to cabinetry that has been altered, modified, improperly installed or serviced by any unauthorized service agency. This warranty is limited to the replacement of defective parts only and does not include service, labor, or transportation charges related to the removal or installation of the defective or replacement parts. This warranty does not apply to any products used in conjunction with the cabinetry, such as counter tops, appliances, or plumbing fixtures. Repair or replacement are subject to the current product offerings of styles and construction of **CNC Associates Inc.** at that time. If a warranty claim is filed after a product becomes unavailable, **CNC Associates Inc.** will replace that part with a part of the same or similar style based on availability. No dealer, agent, contractor, or installer has any right to change or extend the above warranty.

These warranty statements only, are the expressed warranties extended by CNC Associates Inc. In lieu of any other warranties, this warranty shall constitute the entire liability of CNC Associates Inc. All styles, finishes, hardware and specifications are also subject to change without prior notice.

CNC Associates Inc. is not responsible for any typographical errors.
