This warranty is limited to the replacement of defective parts only and does not include service, labor, or transportation charges related to the removal or installation of the defective or replacement parts. This warranty is limited to the original buyer only. This warranty does not apply to any products used in conjunction with the cabinetry, such as countertops, appliances, or plumbing fixtures. Repair or replacement is subject to the current product offerings of styles and construction of CNC Cabinetry Inc. at that time. If a warranty claim is filed after a product becomes unavailable, CNC Cabinetry Inc. will replace that part with a part of the same or similar style based on availability. No dealer, agent, contractor, or installer has any right to change or extend the above warranty. These warranty statements only, are the expressed warrants extended by CNC Cabinetry Inc.
